USER GENERATED CONTENT

Any material, information, or other communication you transmit or post to this Site will be considered non-confidential and nonproprietary ("Communications"). GBUAHN will have no obligations with respect to the Communications. You may submit content, including text, images, photographs, audio and video to the GBUAHN Social Network (collectively, "User Generated Content"), provided that you abide by these common sense rules:

If you post it, you own it

Think twice before you publish. Keep in mind that even if original content can be deleted, the content that is shared and distributed through an array of channels can be reposted, searched, and found on the Internet.

Respect the law, including with regard to intellectual property

It is critical that you show proper respect for the law generally, and specifically for the laws governing copyright and fair use of copyrighted material. You should not quote more than short excerpts from someone else's work. It is good general practice to link to others' work. Use appropriate symbols to mark the first appearance of trademarked terms in your content. Do not post images, music or other copyrighted content unless you own them or have permission from the owner to display such content in this context. Keep in mind that the laws may differ depending on where you live.

Treat others like you want to be treated

Be respectful of others' opinions and beliefs. Use common courtesy when posting content: refrain from abusive, obscene, or offensive language, images, or links. Do not post content from, or links to, Internet sites that feature sexual content, gambling, or that advocate intolerance of others; and do not create such content on the Social Network.

Do not post confidential or proprietary information

By posting content to the Social Network, you are agreeing to allow anyone with access to the Social Network to access it and use it without restriction, except with regard to any applicable intellectual property rights that you or others may have in such content. You agree that you will not post or transmit material that is confidential or proprietary to you or a third-party.

USER CHAT ROOMS

GBUAHN may, but is not obligated to, monitor or review any areas on the Site where users transmit or post Communications and the content of any such Communications or where users communicate solely with each other, including but not limited to chat rooms, bulletin boards, or other user forums. GBUAHN, however, will have no liability related to the content of any such Communications, whether or not arising under the laws of copyright, libel, privacy, obscenity, or otherwise.

It is your sole responsibility to comply with state and federal laws as well as institutional and professional guidelines with respect to patient confidentiality. You are, at all times, solely responsible for obtaining and maintaining all patient consents, if applicable, and all other legally necessary consents or permissions required or advisable to disclose, process, retrieve, transmit, and view patient information.
