Come Party with GBUAHN!

(BUFFALO, NY, October 7, 2015,) – GBUAHN (The Greater Buffalo United Accountable Healthcare Network), a health home dedicated to quality healthcare, will be hosting a “G-Party” on **Saturday, October 17, 2015 from 11:00 a.m. – 4:00 p.m.** This colorful, family-friendly event is aimed at signing up new members who are eligible for our services.

GBUAHN members and the general public are encouraged to bring their friends and family to enjoy free lunch, beverages, face painting, and music and dancing from GBUAHN’s G-Mobile. All guests will have the opportunity to participate in asthma and high blood pressure screenings monitored by GBUAHN patient health navigators.

Founded in 2012, the Greater Buffalo United Accountable Healthcare Network (GBUAHN) is a Health Home established under the Affordable Care Act of 2010. Health Homes coordinate care for people with Medicaid who have chronic health conditions. This free service integrates all primary care, acute, behavioral health and long-term services and supports to treat the whole person. Each person who joins is assigned a patient health navigator. A patient health navigator works closely with the patient to get him/her the services he/she needs in the community. For more information on GBUAHN, visit www.gbuahn.org
